

**An opportunity to showcase organizations, products & neurotechnologies
at 44th Annual meeting of Indian Academy of Neurosciences (IAN)
during October 6-9, 2026 (IAN-2026)
hosted by BRIC-National Brain Research Centre at Manesar (Gurgaon)**

The Annual meetings of the Indian Academy of Neurosciences (IAN) are the largest congregation of neuroscientists where basic scientists and clinicians come together from various research and academic institutions (including AIIMS, IITs, IISERs, State, Central and Private universities) across different geographical locations in India and abroad. The delegates engage in deliberations, present their research as research talks and posters, discuss collaborations and gather information on advancements in research technologies and products.

The annual meeting typically has 400 - 500 delegates as its attendees, offering a unique opportunity for research companies to engage with the delegates through exhibition stalls, technical talks and displaying their products throughout for full 4 days to biochemists, biotechnologists, pharmacologists, brain researchers from all over India and abroad under one roof.

Organizers are offering following modes to make the best use of this opportunity to engage with delegates during the IAN-2026.

Sponsorship of a Symposium: Rs. 2.00 Lakhs

The symposium will be of 2 hours where eminent neuroscientists and experts from India and abroad will present their views based on their recent research followed by discussions with the participants. The sponsors will be entitled for :

- Free registration to 2 persons
- The sponsor's name will be acknowledged during the session and will appear in the souvenir.
- One free exhibition stall of 9 X 9 feet for the entire day of that symposia.

Technical talk to showcase new technologies – Rs 3.00 Lakhs/Technical Slot

IAN -2026 provides opportunities for 2-3 companies as technical experts to highlight the scientific advances in new technologies developed by their company and their applications in neurosciences through 15 min slot in scientific sessions. The sponsoring companies will be entitled for the following-

- Free registration to 2 persons, including the technical expert.
- Technical expert from company will be provided a time slot of 15 minutes.
- Sponsor logo on Banners/backdrop
- One free exhibition stall of 9 X 9 feet for 2 days during the conference
- The sponsor will be acknowledged during the session and will appear in the souvenir

Net working Lunch: Rs. 5.00 Lakhs per Lunch

- Free registration to 2 persons.
- Sponsor logo on Banners/backdrop.
- A full page advertisement in the souvenir
- Distribution of material related to the company's profile and products if provided by the company along with the registration kit
- The sponsor's name will be acknowledged during the session and will appear in the souvenir.
- An exhibition stall of 9 X 9 feet for the 3 days of the meeting.

Get-together Banquet / Dinner: Rs. 10.00 Lakhs (for organizations/institutions)

- Free registration for up to 4 persons.
- *A 20-minute talk by sponsor or its nominee about the organization/institution*
- Sponsor logo throughout the meeting in banner/backdrop, special mention of the sponsor during the banquet.
- A full page advertisement in the souvenir
- Distribution of material related to the company's profile and products if provided by the company along with the registration kit
- The sponsor's name will be acknowledged during the meeting and will appear in the souvenir.
- An exhibition stall of 9 X 9 feet for all 4 days of the meeting.

IAN 2026 provides an excellent opportunity to companies, organizations engaged in neuroscience research, production of biochemical and molecular biology reagents; developing softwares, equipment used in neuroscience research and providing bio solutions to research institutions & industries; service providers and publishers of books and periodicals to showcase their products and services and interact with 500 participants representing clinical and basic neuroscientists from over several countries.

The scientists from Delhi-NCR region and other leading neuroscience institutions from India and abroad will be attending this meeting. The organizers invite you to avail the unique opportunity for display of your *state of art* products, antibodies, molecular biology markers and chemicals, biomedical equipment & technologies, recent books & periodicals and interact with the potential users of your products and services.

Stalls for exhibits available @ Rs 1,00,000/- per stall/day.

Each stall of 9 x 9 size will be provided with one table and 2 chairs along with one electrical point. An exhibitor can take more than one stall. The exhibitors will also be entitled for 2 free registrations.

The list of stall exhibitors will be published in the souvenir.

Advertisement in the souvenir

Limited number of advertisements will be published in the Souvenir on first come first serve basis at the following rates:

Back cover Page	Rs. 40,000/-
Back Inside cover page	Rs. 30,000/-
Full page	Rs. 20,000/-
Half page	Rs. 10,000/-

Organizations interested in sponsoring Symposia & Dinners and Lunches get-togethers, participating in the IAN 2026, releasing advertisements in Souvenir, etc. should send their willingness to IAN2026.nbrc@gmail.com before July 31, 2026.

The Bank account details are.

Institution's Account Name: NATIONAL BRAIN RESEARCH CENTRE

Bank Name: ICICI Bank Ltd

Bank Account No: 721601000517

Account type: Savings

Branch Name: IMT Manesar Sec-8

IFSC Code: ICIC0007216

Branch Address: ICICI Bank Ltd., Shop No-7, Anantraj Tech Park, Sector-8, IMT, Manesar, Haryana, 122051, INDIA
